

Greetings!

The Charleston Arts and Revitalization Effort (CARE) is proud to announce the upcoming Annual Gateway to the Delta Festival, to be held Saturday, October 14, 2023. An exciting day full of music, shopping, food, and fun for all ages is being planned by our dedicated volunteers.

Since 2011, the festival has grown by leaps and bounds to become the largest event in Charleston and Tallahatchie County. This growth is due to our wonderful attendees, hard-working volunteers, quality vendors and generous sponsors. Most importantly, all festival profits stay in the community & are used to support quality programs that promote arts & culture and community revitalization among our local adults and youth. Our festival is a family-friendly event with no admission fee.

By joining the event as a sponsor, you will help CARE to continue to bring this amazing event to the community we all love and, of course, gain valuable exposure for your business. There are several levels of support available, and they are detailed in the attached sponsorship package.

Please take a few moments to look over the opportunities for giving, and do not hesitate to contact the festival staff with any questions at 662-647-0942. One of our festival volunteers will be following up with you soon to discuss what sponsorship level is the best fit for your business.

We look forward to talking with you soon!
